## Value Exchange Corporation named to "TOP U.S. Processors" list for 2008 By The Nilson Report

NASHVILLE – Value Exchange Corporation is pleased to announce that it has been named into the "Top U.S. Acquirers" list as compiled by **THE NILSON REPORT**, one of the leading publications covering payment systems worldwide. The list was published in Issue 922 for March 2009 and represents the 96 largest portfolios of merchant card-processing contracts ranked by the volume of Visa and MasterCard contracts processed in 2008.

In the U.S. alone, there are over 5,000 independent credit card processing entities. Value Exchange was ranked 96th, processing over 1.1 Million transactions and \$107 Million in sales volumes from 1,229 merchant outlets.

Brian L. Cooper, President and CEO of Value Exchange Corporation congratulated all Value Exchange associates by stating, "It is a true testament of our associate's commitment to customer sales and service excellence that we could attain inclusion into the Top U.S. Processors list in our very first year of full operations." Damon Cummings, EVP and COO went on to add "With the new state-of-the-art TECH Center nearing completion this summer, our new Community Share referral program, and with additional new agent banks that have already signed in 2009, Value Exchange is now positioned for growth well into next year."

Cooper concluded, "Value Exchange has demonstrated it has a great team of people, with the right technology and strong financial partnerships...looking forward, we feel that for both us and our customers, the best is yet to come."
